**DreamMaker Bath & Kitchen of Peoria Named to Remodeling Magazine's "Big 50"**

WACO, Texas (May 9, 2006) – DreamMaker Bath & Kitchen by Worldwide® of Peoria has been named one of the nation's best remodelers in *Remodeling* magazine's "Big 50," published in the May issue.

The "Big 50" honors companies who have set the standard for professionalism and integrity through smart marketing, exemplary business practices, unique design, and extraordinary impact on their community or the industry at large. Big 50 remodelers run successful, growing companies of various sizes that have taken the lead in raising the standards of the industry.

"We think of ourselves as being a hometown remodeler, because no matter how much our business grows, we still try to maintain a level of personalized service," said Chuck Gabbert, owner of DreamMaker Bath & Kitchen of Peoria. "Sometimes we don't even realize our own success. Our focus is on doing the best work possible to make our customers happy. I'm blessed to work with a talented team. It's the quality of their work and exceptional customer service that has helped us earn this type of recognition."

In 1989, Gabbert bought the DreamMaker Bath & Kitchen franchise to complement his existing independent remodeling business, C.T. Gabbert Remodeling and Construction, which he opened in 1978. The strength of the national brand paid off for Gabbert as he has become a top franchisee for DreamMaker, and now a top remodeler in the U.S.

"Chuck runs his business exemplifying the high standards that DreamMaker has become known for," said Doug Dwyer, president and owner of DreamMaker Bath & Kitchen. "The 'Big 50' is an incredible honor because *Remodeling* magazine is widely recognized as a top publication for our industry. I'm pleased to see Chuck honored in its list."
